## **Expertise**

Litigation & Insolvency

Niall Dodd is a member of our Litigation, Insolvency and Restructuring department in the Cayman Islands. Niall's practice covers a wide range of offshore commercial litigation matters including shareholder disputes and insolvency, often involving cross-border elements.

Prior to joining us, Niall practised at the Irish Bar for over 9 years on a wide range of general civil matters, including contract, tort, insolvency, corporate and commercial law. He is an experienced advocate and has appeared in a variety of matters at all levels up to Supreme Court level in Ireland. He is the most recent member of the team working on the Saad litigation.
