Expertise

Litigation & Insolvency, Probate and letters of administration, Trusts and estates, Trusts & private client litigation

James Granby is a senior associate in our Hong Kong Litigation and Restructuring team. His practice involves a broad range of offshore commercial litigation, including dissenting share appraisal claims, unfair prejudice claims, and insolvency proceedings.

James is a member of Harneys Trusts and Private Client Advisory Group and regularly acts for trustees and beneficiaries in trusts disputes. He also advises in non-contentious trusts matters and advises and acts in contentious and non-contentious offshore probate matters.

Prior to joining us in 2017, James practiced for several years as a chancery and commercial barrister at the English Bar.

Experience

James' recent experience includes:

- Advising Qunar Cayman Islands, JA Solar Holdings, iKang Healthcare Group, and 58.com, Inc. in Section 238 dissenting share appraisal proceedings in the Cayman Islands.
- Advising and acting for a BVI private trust company in a long-running dispute regarding the ownership of shares in a PRC pharmaceutical company.
- Advising the trustee of a BVI family trust in relation to a dispute concerning the misappropriation of millions of dollars from the trust fund by beneficiaries of the trust.
- Advising China Biologic Products Holdings, Inc. on its take-private transaction, which was valued at approximately US\$4.7 billion.
