Expertise

Regulatory & Tax, Corporate

Marilena Papachristodoulou is a member of our Regulatory and Tax practice group within the Cyprus office. She regularly advises clients on data protection matters and other regulatory law issues.

Marilena also works closely with our Transactional team and Banking & Finance practice group. Her expertise extends to other aspects of law such as advising on corporate and commercial law matters.

Prior to joining us in 2021, Marilena was a trainee lawyer in the litigation department of another law firm in Cyprus, where she gained experience in corporate litigation.

Marilena is a member of the Cyprus Bar Association and is fluent in Greek and English.

Bar Admissions
