Expertise

Investment Funds

Karolina Kozak is a member of our Investment Funds practice in our Luxembourg office. She provides regulatory and legal advice on the structuring and establishment of Luxembourg unregulated and regulated alternative investment funds which comprises an array of matters including fund formation, regulatory advice, licence application and advising investors on prospective fund investments.

She has set up several Luxembourg-domiciled specialised investment funds with a wide range of strategies such as real estate funds, master-feeders structures, hedge funds and private equity.

Karolina provides assistance to fund managers through the investment phase and assists in structuring special purpose vehicles, co-investment vehicles and joint ventures; carrying out legal and regulatory due diligences; drafting and negotiating shareholders' agreements, share purchase agreements and loan arrangements.

She also has extensive experience advising on a broad range of international corporate transactions including mergers and acquisitions and restructurings. Karolina is fluent in Polish and French.
